Language Courses - Students - Seniors

2012/2013

Dear professionals, welcome to Universitas group

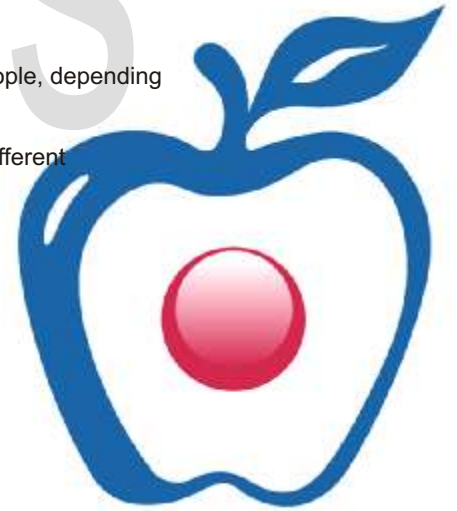

Universitas has an extensive experience within the world of students, with a strong presence in colleges and schools in Barcelona.

For the season 2012/2013, Universitas opens its services to international students who are visiting Barcelona. Students in language courses, on cultural tours, or in an end-of-year trip, may have access to our facilities and our services within our faculties, schools and other spaces available in and around Barcelona.

We can offer well placed spaces, for example inside the Faculty of History and Geography in front of the MACBA and CCCB, inside the Faculty of Pharmacy, next to the Camp Nou FCB or in the city center in our facilities in Barcelona's Stock Exchange.

We have different possibilities of services according to the clients needs:

- Self service and menus for groups in our facilities, we have spaces from 10 to 250 people, depending on the location and time of service.
- Picnic service for excursions, or walking tours. Universitas has a Picnic service with different proposals and prices. This service can be delivered in hotels or apartments with a supplement, or picked up at in our centers.
- Lunch or dinner meals for large groups in our terrace at WTC Almeda Park Cornellá.

Faculty of Medicine

Seniors.

All Universitat services for students can be tailored to groups of seniors. The spaces within our facilities, as for instance and the restaurant L'Estada located in Barcelona's Stock Exchange with a capacity for up to 120 people, is adapted for disabled people.

Our large terraces in spring and summer are ideal for these groups which are located in our restaurants at the WTC Almeda Park in Cornellá, or in the center in the Faculty of Geography & History for cultural visits to the MACBA or the CCCB.
